Liz, Troy, Samantha, and Brittany- I wanted to let you know about a presentation OGC and OEI and doing this afternoon for Beth White, the new Director of the Executive Secretariat, and let you know you are welcome to attend if you would like. Liz, Nancy is on the invite already. We will be covering the roles of our offices in FOIA generally and the touching on the current "docket" each of our offices is handling. As this is an introductory meeting, we are not going to get into the details and try to resolve issues, but rather help give Beth a lay of the land.

The meeting is in 4045 at 4:00 if you would like to attend.

Thanks, Kevin

Hi Everyone-

This is an opportunity for OEI and OGC to provide Beth White, the new Director of the Office of the Executive Secretariat, an overview of FOIA at EPA and our roles in that process. I have included a proposed agenda below. Please let me know if you have questions or concerns about how I proposed we work through the time we have. I have designated certain folks to take the lead on certain parts of the agenda, I definitely would like to hear from you ASAP if you are not able to do what I have you down for. Finally, it is unclear whether this time can work for OEI folks. Because it was clear for most everyone else I wanted to send this invite holding the time, but we may need to reschedule so that OEI can attend.

Thanks, Kevin
